## **Objective:**

To obtain an internship with an international corporation of wine where I could fully utilize my qualifications and show willingness to learn.

## **Qualifications:**

Since September 2009: student at ISARA, engineering school of food sciences, in Lyon, France. Now in 3rd year of five year M.Sc.program.

July 2009: Baccalauréat, High school diploma, majoring in sciences (Lycée René Cassin high school) Tarare.

## **Work experience:**

Summer 2011: I worked for two months in a dairy farm in **Canada** (near Toronto) where I really improved my **English skills**

July 2010: internship in goat cheese farm in high mountain pasture (Alps) as a farm worker: I milked, I farmed and **I sold on markets.**

Summer 2009: I worked as a warehouseman in my father's textile industry: (Home Style France, Sarcey)

Each September **I pick the grapes in the Beaujolais region.** I work with the winemaker to make wine. It is a successful experience in the field of the wine industry

## **Skills:**

**A strong knowledge of the French Wine Domain.**

French native speaker,

Command of the English language: I can take an active part in discussion, accounting for and sustaining my views. I can present clear and detailed thoughts on a wide range of subjects.

Computer skills: European driving licence so functional and proficiency.

Accomplished sportsman with regular participation in athletics championship France.
